**GRAND MESA, UNCOMPAHGRE AND GUNNISON NATIONAL FOREST**

This COOPERATIVE LAW ENFORCEMENT AGREEMENT ("Agreement") is entered into by and between the Mesa County Sheriff's Office, hereinafter referred to as "the Cooperator," and the USDA, Forest Service, Grand Mesa, Uncompahgre and Gunnison National Forest, hereinafter referred to as the "U.S. Forest Service," under the provisions of the Cooperative Law Enforcement Act of August 10, 1971, Pub. L. 92-32, 16 U.S.C. 551a.

**Background:** The parties to this agreement recognize that public use of National Forest System Lands (NFS lands) is usually located in areas that are remote or sparsely populated. The parties also recognize that the enforcement of State and local law is related to the administration and regulation of NFS lands and the Cooperator has/have a limited amount of financing to meet their responsibility of enforcing these laws.

Title:

**I. PURPOSE:**

The purpose of this agreement is to document a cooperative effort between the parties to enhance State and local law enforcement in connection with activities on NFS lands and provide for reimbursement to the Cooperator for the intensified portion of this effort.

In consideration of the above premises, the parties agree as follows:

**II. THE COOPERATOR SHALL:**

- A. Perform in accordance with the approved and hereby incorporated Annual Financial and Operating Plan (Annual Operating Plan) attached as Exhibit A. *See related Provision IV-E.*
- B. Ensure that the officers/agents of the Cooperator performing law enforcement activities under this agreement meet the same standards of training required of the officers/agents in their jurisdiction, or the State Peace Officers Standards of Training where they exist.
- C. Provide uniformed officers/agents with marked vehicles to perform all activities unless agreed to otherwise in the Annual Operating Plan.

- D. Advise the U.S. Forest Service Principal Contact, listed in Provision IV-B, of any suspected criminal activities in connection with activities on NFS lands.

- F. Complete and furnish annually the U.S. Forest Service with Form FS-5300-5, Cooperative Law Enforcement Activity Report, identifying the number of crimes occurring on NFS lands. The report shall follow the FBI Uniform Crime Reporting groupings, Part I and Part II offenses. Offenses and arrest information shall be combined and reported for each crime. This report shall separate the crimes handled under this agreement from those handled during regular duties.
- G. Provide the U.S. Forest Service Principal Contact, listed in Provision IV-B, with case reports and timely information relating to incidents/crimes in connection with activities on NFS lands.
- H. Bill the U.S. Forest Service for the Cooperator's actual costs incurred to date, displayed by separate cost elements, excluding any previous U.S. Forest Service payment(s) made to the date of the invoice, not to exceed the cumulative funds obligated hereunder and as specified on the Annual Operating Plan. Billing frequency will be as specified in the Annual Operating Plan. *See related Provisions III-B, IV-I, and IV-P.*
- I. Give the U.S. Forest Service or Comptroller General, through any authorized representative, access to and the right to examine all records related to this agreement. As used in this provision, "records" include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of whether such items are in written form, in the form of computer data, or in any other form.
- J. Comply with all Federal statutes relating to nondiscrimination and all applicable requirements of all other Federal laws, Executive Orders, regulations, and policies. These include, but are not limited to Sections 119 and 504 of the Rehabilitation Act of 1973 as amended, which prohibits discrimination on the basis of race, color, religion, sex, age, national origin, marital status, familial status, sexual orientation, participation in any public assistance program, or disability.

- C. This agreement has no effect upon the Cooperator's right to exercise civil and criminal jurisdiction on NFS lands nor does this agreement have any effect upon the responsibility of the U.S. Forest Service for the enforcement of federal laws and regulations relative to NFS lands.
- D. An Annual Operating Plan will be negotiated on a calendar year basis. At the end of the calendar year, funds not spent may be carried forward to the next calendar year, or deobligated at the request of the U.S. Forest Service. Upon expiration of the Cooperative Law Enforcement Agreement, (see related Provision IV-W) funds not spent will be deobligated.
- E. Any Annual Operating Plan added to this agreement will be jointly prepared and agreed to by the parties. The Annual Operating Plan shall at a minimum contain:
1. Specific language stating that the Annual Operating Plan is being added to this agreement thereby subjecting it to the terms of this agreement.
  2. Specific beginning and ending dates.
  3. Bilateral execution prior to any purchase or the performance of any work for which reimbursement is to be made.
  4. Specify any training, equipment purchases, and enforcement activities to be provided and agreed rates for reimbursement including the maximum total amount(s) for reimbursement.
  5. An estimate of the useful life of any equipment purchased under this agreement as required by Provision IV-K.
  6. Billing frequency requirement(s). See related Provisions II-H and III-B
  7. Designation of specific individuals and alternate(s) to make or receive requests for enforcement activities under this agreement.
  8. A review and signature of a U.S. Forest Service Agreements Coordinator.

- F. Nothing in this agreement obligates either party to accept or offer any Annual Operating Plan under this agreement.
- G. The officers/agents of the Cooperator performing law enforcement activities under this agreement are, and shall remain, under the supervision, authority, and responsibility of the Cooperator. Law enforcement provided by the Cooperator and its employees shall not be considered as coming within the scope of federal employment and none of the benefits of federal employment shall be conferred under this agreement.
- H. Federal Communication Commission procedures will be followed when operating radio(s) on either party's frequency.
- I. Cooperator's reimbursable expenses must be listed in an approved Annual Operating Plan; expended in connection with activities on NFS lands; and expenses beyond those which are normally able to provide.
- J. During extraordinary situations such as, but not limited to: fire emergency, drug enforcement activities, or certain group gatherings, the U.S. Forest Service may request to provide additional special enforcement activities. The U.S. Forest Service will reimburse the Cooperator for only the additional activities requested and not for activities that are regularly performed by the Cooperator.
- K. Reimbursement may include the costs incurred by the Cooperator in equipping or training its officers/agents to perform the additional law enforcement activities authorized by this agreement. Unless specified otherwise in the Annual Operating Plan, reimbursement for equipment and training will be limited to a pro rata share based on the percentage of time an officer/agent spends or equipment is used under this agreement.

When reimbursement for items such as radios, radar equipment, and boats is being contemplated, reimbursement for leasing of such equipment should be considered. If the U.S. Forest Service's equipment purchases are approved in the Annual Operating Plan, an estimate of the useful life of such equipment shall be included. When purchased, equipment use rates shall include only operation and maintenance costs and will exclude depreciation and replacement costs. Whether the Cooperator is/are reimbursed for lease/purchase costs, or the U.S. Forest Service purchases and transfers the equipment, the total cost for the equipment cannot exceed the major portion of the total cost of the Annual Operating Plan unless approved by all parties in the agreement and shown in the Annual Operating Plan.

When the U.S. Forest service provides equipment, the transfer shall be documented on an approved property transfer form (AD-107) or equivalent. Title shall remain with the U.S. Forest Service, however; the Cooperator shall ensure adequate safeguards and controls exist to protect loss or theft. Cooperator shall be financially responsible for any loss at original acquisition cost less depreciation at the termination of the agreement. Cooperator is/are responsible for all operating and maintenance costs for equipment that

the U.S. Forest Service has reimbursed the Cooperator for and/or transferred to the Cooperator under the AD-107 process or equivalent.

- L. Equipment and supplies approved for purchase under this agreement are available only for use as authorized. The U.S. Forest Service reserves the right to transfer title to the U.S. Forest Service of equipment and supplies, with a current per-unit fair market value in excess of \$5,000.00, purchased by the Cooperator using any Federal funding. Upon expiration of this agreement the Cooperator shall forward an equipment and supply inventory to the U.S. Forest Service, listing all equipment purchased throughout the life of the project and unused supplies. The U.S. Forest Service will issue disposition instructions within 120 calendar days, in accordance with equipment regulations contained in 7 CFR 3016.32.
- M. When no equipment or supplies are approved for purchase under an Annual Operating Plan, U.S. Forest Service funding under this agreement is not available for reimbursement of the Cooperator's purchase of equipment or supplies.
- N. When State conservation agencies have the responsibility for public protection in addition to their normal enforcement responsibility, their public protection enforcement activities may be included in Annual Operating Plans and are then eligible for reimbursement. Reimbursement is not authorized to State Conservation Agencies for enforcement of fish and game laws in connection with activities on NFS lands.
- O. Pursuant to 31 U.S.C. 3716 and 7 CFR, Part 3, Subpart B, any funds paid to the Cooperator in excess of the amount to which the Cooperator is/are finally determined to be entitled under the terms and conditions of the award constitute a debt to the federal Government. If not paid within a reasonable period after the demand for payment, the Federal awarding agency may reduce the debt by:
1. Making an administrative offset against other requests for reimbursements.
  2. Withholding advance payments otherwise due to the Cooperator.
  3. Taking other action permitted by statute.
- Except as otherwise provided by law, the Federal awarding agency shall charge interest on an overdue debt in accordance with 4 CFR, Chapter II "Federal Claims Collection Standards" and 31 U.S.C. Chapter 37.
- P. Modifications within the scope of the agreement shall be made by mutual consent of the parties, by the issuance of a written modification, signed and dated by both parties, prior to any changes being performed. The U.S. Forest Service is not obligated to fund any changes not properly approved in advance.
- Q. Either party, in writing, may terminate this agreement in whole, or in part, at any time before the date of expiration. Neither party shall incur any new obligations for the

- terminated portion of this agreement after the effective date and shall cancel as many obligations as is possible. Full credit shall be allowed for each party's expenses and all noncancelable obligations properly incurred up to the effective date of termination.
- R. Federal wage provisions (Davis-Bacon or Service Contract Act) are applicable to any contract developed and awarded under this agreement where all or part of the funding is provided with Federal funds. Davis-Bacon wage rates apply on all public works contracts in excess of \$2,000 and Service Contract Act wage provisions apply to service contracts in excess of \$2,500. The U.S. Forest Service will award contracts in all situations where their contribution exceeds 50 percent of the cost of the contract. If the Cooperator is/are approved to issue a contract, it shall be awarded on a competitive basis.
- S. This agreement in no way restricts the U.S. Forest Service or the Cooperator from participating in similar activities with other public or private agencies, organizations, and individuals.
- T. In accordance with Executive Order (EO) 13513, "Federal Leadership on Reducing Text Messaging While Driving," any and all text messaging by Federal employees is banned: a) while driving a Government owned vehicle (GOV) or driving a privately owned vehicle (POV) while on official Government business; or b) using any electronic equipment supplied by the Government when driving any vehicle at any time. All cooperators, their employees, volunteers, and contractors are encouraged to adopt and enforce policies that ban text messaging when driving company owned, leased or rented vehicles, POVs or GOVs when driving while on official Government business or when performing any work for or on behalf of the Government.
- U. Any information furnished to the U.S. Forest Service under this agreement is subject to the Freedom of Information Act (5 U.S.C. 552).
- V. This agreement is executed as of the date of the last signature and, unless sooner terminated, shall be effective for a period of five years through 31 December 2023.
- W. **AUTHORIZED REPRESENTATIVES.** By signature below, each party certifies that the individuals listed in this document as representatives of the individual parties are authorized to act in their respective areas for matters related to this agreement. In witness whereof, the parties hereto have executed this agreement as of the last date written below.
